FOOD FOR THOUGHT

When words are many, sin is not absent, but he who holds his tongue is wise.

Proverbs 10:19

We are constantly filling our world with noise. If it is not the sound of our own voices, then turn up some other noise to fill the silence. With the proliferation of radio talk shows, we are even given the opportunity to sound off to that noise. Unfortunately, quite often we say things that are harmful, hurtful, or foolish. God's wisdom reminds us to learn to hold our tongue and let silence rule over more of our time rather than the noisy words that so often clutter our world.

Verse of the Day, 19th October 2016

Why is lemon juice made with artificial flavour, while dishwashing liquid is made with real lemons?

Why isn't there a mouse flavoured cat food?
