THE ONLY TIME SUCCESS COMES BEFORE WORK IS IN THE DICTIONARY

Health and Safety at home

We often think of health and safety in terms of work. However, we really need to begin thinking of health and safety at home.

Home should be the place where we feel safe. However, that assumption can create the environment where accidents can happen.

Given that each year more accidents and injuries occur in the home than anywhere else, we need to begin to be more aware of how we keep ourselves and our families safe at home. Please let us think twice about any home activity and ask ourselves, is this safe, am I safe, are others safe?

As God's children let us take some time to increase our safety at home because we are worth it.

Any questions? Please contact the Pastor.

Roy is now back in his own home.

Thought For The Day

"No sorrow touches man until it has been filtered through the heart of God"

Joseph D. Blinco

"In peace I will both lie down and sleep; for you alone, O Lord, make me dwell in safety"

Psalms 4:8

"We have to pray with our eyes on God, not on the difficulties"

Oswald Chambers

"Because of a friend, life is a little stronger, fuller, more gracious thing for the friend's existence, whether he be near or far. If the friend is close at hand, that is best; but if he is far away he still is there to think of, to wonder about, to hear from, to write to, to share life and experience with, to serve, to honour, to admire, to love"

Arthur Christopher Benson

"It is impossible to have the feeling of peace and serenity without being at rest with God"

Dorothy H. Pentecost

"And it is my prayer that your love may abound more and more, with knowledge and all discernment, so that you may approve what is excellent, and so be pure and blameless for the day of Christ, filled with the fruit of righteousness that comes through Jesus Christ, to the glory and praise of God"

Philippians 1:9-11 (ESV)

"May God defend me from myself"

Michel de Montaigne
