**Thought For The Day**  
**What will you have in your hand**  
**next Sabbath?**

So the Lord said to him: "WHAT IS IN YOUR HAND?" Exodus 4:2

Moses didn't have much - a handful of sheep on a blistered mountain. He also had 80 years of memories some sad and regretful. He had some clothes, a family, a wise father-in-law and a tent in the desert. That's about it.

**OH YES HE HAD A STAFF!**

He probably found a broken branch from a sturdy tree maybe 6 or 7 feet long and straight. He seasoned and smoothed it to become his walking cane; plus it was useful in herding the sheep and warding off predators, but quite ordinary!!! Just a rod.

On the rugged Mount Horeb that day, as Moses argued with the Lord about his inadequacies for the mission being assigned him, God asked a simple question. "WHAT IS IN YOUR HAND?"

It was a broken branch, a piece of dead wood, a rod.

But the Lord wanted it, and the Lord touched it and the Lord used it to baffle the magicians of Egypt, to turn the Nile to blood, to part the waters of the Red Sea, create extremes in the desert, and to deliver His people Again and Again.

"WHATS IN YOUR HAND?"

By Dr. Jeremiah

**(All Literature is at the church)**

We are facing many challenges in our world today. Both domestic and political. The truth of the matter is that Jesus is on His way to rescue us from this earth filled with pain and sorrow.

With this in mind we have all been invited to take part in **Power Literature Distribution** that is happening throughout the British Union Conference on Sabbath 28<sup>th</sup> September 2019.

Everyone is invited. Members or non-members, children and youth of all ages. Our Adventurers, Pathfinders and Master Guides. Neighbours and friends. Let no one feel left out.

The printed page still has power to lead people to Christ. "Every year millions upon millions of human souls are passing into eternity un-warned and un-saved. From hour to hour in our varied lives, opportunities to reach and save souls are opened to us. These opportunities are continually coming and going. God desires us to make the most of them." (Ellen White)

This is no time to keep to our own business. Indeed, our business should be the business of God - to reach out to those who do not know Him. If we are ever going to overcome the tendencies of being self-centred and become a people who are conscience of the needs of others. we must make use of all the training wheels God has given us.
